

Dianne Henderson

Medical Consultant-Gluckstein Personal Injury Lawyers

A Medical and Legal Consultant for Gluckstein Personal Injury Lawyers, Dianne specializes in evaluating and managing clients with neurological injuries. She works to apply the legislation and attend and participate in mediation, arbitration, discoveries and trial, with a focus on patient/community re-integration.

A past volunteer with organizations such as United Way, Recreation Integration Niagara, Niagara Brain Injury Network, and Brain Injury Association of Toronto, she has also worked with many Boards, including the Head Injury Association of Niagara, and most recently the Thorold Business Council. The former nurse has written several publications and has presented numerous course studies on head and brain injuries.

Dianne brings to the Hotel Dieu Shaver Foundation Board her extensive experience in acquired brain injuries, a common sense approach to the patient experience, and her community involvement and enthusiasm in coordinating fundraising events.
