

**Marty Hatfield**

Now retired, Marty held senior management roles in the Reinsurance arena, with the last 15 years as a Managing Director/Owner in a Reinsurance Consulting Company.

Marty is honoured to join the Hotel Dieu Shaver (HDS) Foundation Board of Directors. Believing strongly that extremely important work is happening every day at HDS in support of Niagara Region patients, Marty wants to do her part to help.

Marty is a strategic thinker who has the ability to create and implement vision. With years of experience volunteering in the non-profit sector, she looks forward to offering guidance to HDS Foundation as they continue to build, with care and respect, community partnerships supporting the HDS healthcare team.
